

**Please check any programs that you would like more information on.**

**Bev Henry Emergency Fund** offers a variety of assistance to eligible individuals/families in a crisis situation.

**Covering Kids & Families of SIEOC** is committed to ensuring that all eligible children and adults are enrolled in available health-care coverage programs.

**Energy Assistance** provides support to income eligible households to assist them in maintaining utility services during winter heating months.

**Family Development** is a voluntary program of support services for individuals/families who want to work towards eliminating barriers and achieving goals so they can live a more self-sufficient lifestyle.

**Food Pantry** assistance is available at our Aurora and Brookville locations for individuals/families in Dearborn and Franklin County who need assistance with nutrition needs.

**Head Start** is a federal preschool program that promotes school readiness for children ages 3-5 by enhancing their cognitive, social and emotional development.

**Housing Choice Voucher Program** provides monthly rental assistance to income eligible individuals/families by paying a portion of their rent payment so they can live in safe, affordable housing of their choice.

**Resource Sheet Questionnaire** is a form that can be completed during our walk-in hours that actively involves and engages community resources that are able to respond to individual/family emergency needs.

**Salvation Army** services are available to individuals/families in Dearborn and Ohio Counties.

**Toys for Tots** is a partnership SIEOC has with the Marine Corps Reserve. Through this partnership and donations from local individuals, families, and partner organizations we're able to provide Christmas gifts to children in need ranging from birth to age 18 in Dearborn, Ohio, Ripley and Switzerland Counties.

**Weatherization** provides free, energy-efficient home improvements to income eligible home owners and renters. Improvements to the home will reduce energy costs and improve the individuals/families health and safety.
